The main tool to search resources is the catalogue of the UAB Library Service ([www.uab.cat/libraries/catalog](http://www.uab.cat/libraries/catalog)), which contains the references of all the UAB documents in any support. You can also consult the full-text of the electronic resources if the UAB has access to them.

Moreover, you can consult other catalogues, as the Catàleg Col·lectiu de les Universitats de Catalunya - CCUC ([puc.cbuc.cat](http://puc.cbuc.cat)), which allows you to locate the collections of the Catalan public universities, the Biblioteca de Catalunya and other institutions.
