Wormwood subscriptions are \$4.50/4 issues/year to individuals and \$6.00/4 issues/year to institutions. Patron subscriptions are a \$12.00 bargain for four consecutive issues with poet-signed, center sections. Free inspection copies are not available because of our very limited press run. Copies of issues 16-23 and 25-69 are still available at \$2.00/issue postpaid. Issues 1-15 and 24 are out-of-print, but reasonable prices can be quoted on an individual basis when and if clean copies can be located. Issues 1-3 are virtually impossible to find. Microfilm volumes of Wormwood are presently available from University Microfilms, 3101 North Zeeb Road, Ann Arbor MI 48106. The contents of Wormwood are indexed in Index of American Periodical Verse, Scarecrow Press Inc., P.O. Box 656, Metuchen NJ 08840.

Libraries should remember that Wormwood does not claim to be a regular quarterly -- the magazine is an irregular quarterly. Wormwood strives to put out four issues every year, but the issues are mailed out at irregular intervals. Because of the prohibitive postal/ mailing costs, two issues (or more) are mailed out in one envelope. All subscriptions are absolutely guaranteed through and including Issue 84 (Vol. 21, no. 4), but the press will not respond to library claims when the issues in question have not yet been generally released for mailing -- again the reason is the cut that the excessive postal costs now make in our otherwise very modest budget.

"...Seeking an art based on fundamentals to cure the madness of the age, and a new order of things that would restore the balance between heaven and hell. We had a dim premonition that power-mad gangsters would one day use art itself as a way of deadening men's minds...."
