FLeD Playful Experience

FLeD Garden: Unveiling the Flipped Classroom

1. Introduction

Once, in education, a group of intrepid educators gathered before the Flexible Gate. As they stood in awe, a mysterious Guardian, bearer of riddles, greeted them. The Guardian's challenge was simple: decode the clues and watch as the gate swung wide, revealing the enchanting FLeD Garden.

But this is just the beginning of their adventure, for the teachers had to embark on five exciting challenges!

Look at the infographic bellow to help you visualize the playful experience!

2. Challenges to complete

Challenge 1: Opening the Flexible Gate

Timeline: December 2023 – KickOff Workshop

Hello! Welcome to your FLeD Quest! You find yourself standing before the majestic Flexible Gate, where a mysterious Guardian with a riddle awaits you. The Guardian's voice rings out:

- ☐ "Greetings, dear teacher! Can you decipher the clues and unlock the secrets of the gate? Your journey begins here."

Your journey has just begun, and you are ready to tackle the five exciting challenges!

The Guardian encourages you, saying,

- ☐ "Seek out your fellow educators and discover your shared characteristics. Find a match, submit your answer, and earn your badge!"

As you answer the survey, the Guardian cheers you on,

- "Well done! You have unlocked the path to the full FLeD website. The next phase awaits you. Onward!"

Badges to collect: Gate Explorer

Requires the completion of Challenge 1:
A1 - Participate in the FLeD Bingo activity (a moment of sharing, exploration, socialization, and bonding between the participant lecturers).

A2 - Complete the "Gate Opening" survey (given a link/QR code each participant answers a short survey).

Challenge 2: Explore the FLeD Garden

Timeline: December 2023 – January 2024 (early)

Inside the FLeD Garden, you find yourself surrounded by lush greenery, vibrant flowers, and magical creatures. The Guardian's voice continues,

- ☐ "The Nameless Sage is your guide here. Choose a section, complete 'Walk Around' and 'Choose a Corner' activities and earn your badges. Your journey to

co-designing begins!"

Badges to collect:

- **FLeD Pioneer**

Requires the completion of Challenge 2:

A1 - "Walk Around": register on the FLeD Tool; upon registration, you receive a badge.

You must now enter the "garden" (FLeD Tool) and explore it. This exploration is about reading, commenting, and getting to know the 3 patterns and, also, interacting with the scaffolding.

- **Pattern Connoisseur**

Requires the completion of Challenge 2:

A2 – "Choose a Corner": decide which "corner" of the garden you like the best: Feedback Path, the Team Regulation Oasis, and the Prior Preparation Courtyard.

Each "corner" corresponds to one of the provided patterns and you must choose which one you wish to implement in a real context, and make your choice in the FLeD Tool.

Challenge 3: Unifying the FLeD Garden

Timeline: January 2024 – February 2024

With insights from your chosen section, you reconvene in the Collaborative Haven, a virtual community of practice. The Guardian speaks,

- ☐ "In this haven, you and your partner will share experiences and knowledge, guided by the FLeD Tool. Embrace the co-design of a flipped classroom plan and let your wisdom shine."

Badges to collect:

- **Design Maestro**

Requires the completion of Challenge 3:
A1 - "Flip with Me": engage in the (co)design of the chosen flipped scenario and interact with the resources (scaffolding and FLeD Tool). You may co-design your scenario with a chosen pair or, instead design it by yourself and ask for feedback from your peers.

Remember to share your knowledge and help other pairs.

Challenge 4: Blossoming Showcase

Timeline: March 2024 – May 2024

You reach the Blossoming Showcase, a place to display your co-designed flipped classroom scenario. The Guardian's voice exclaims,

- ☐ "Share your unique journey! Celebrate the synergy between your chosen patterns and the transformative power of the FLeD Tool. 'My Flip' and 'FLeD Stars' await, rewarding your efforts with badges and recognition!"

Badges to collect:

- **Scenario Maven**

Requires the completion of Challenge 4:
A1 - "My Flip": share the flipped learning scenario you have implemented with peers in the FLeD Tool.
Upon scenario sharing, you get a badge.

- **Inspirational Navigator**

Requires the completion of Challenge 4: A2 - "FLeD Stars": visit the 'FLeD Gallery' in the FLeD Tool and check the flipped scenarios shared by the other participants.

You are invited to constructively comment on the scenarios and, by doing so, you will receive a badge. Remember you can assign a 'FLeD Star' to your 5 favorite scenarios and see how they rank on the FLeD Garden Quest board.

Challenge 5: FLeDQuest Membership

Timeline: June 2024 – October 2024

After completing your scenario, you are on the cusp of becoming a FLeDQuester. The Guardian adds,

- ☐ "One final challenge remains: the 'Final Riddle' (FLeD Satisfaction Survey) and becoming a member of the FLeDQuest community with the FLeD Certificate. Join us as a valued member and continue to nurture the growth of the garden. Share your wisdom and inspire others in the Collaborative Haven."

And so, your story ends, but the adventure of the FLeD Quest continues, thanks to your dedication. The Guardian's voice lingers,

- ☐ "You will light the way for future FLeDQuesters, and the power of the flipped classroom will endure for generations to come. Are you ready to join this magical journey and become a FLeDQuester?"

The Guardian awaits your answer, and your quest is about to begin! Enjoy it!

Badges to collect:

- **FLeDQuest Conqueror**

Requires the completion of Challenge 5:

A1 - "Final Riddle": you are invited to answer a satisfaction survey about the FLeD experience. By answering the survey, you will get a badge.

A2 - "Light the Way": you are invited to disseminate the FLeD experience among your peers and share your knowledge, resources, and questions in the FLeD virtual community of practice, either through the FLeD Tool or within your home institution.
