

FINNISH-CATALAN WORKSHOP

Borders and Bonds: Finland and Catalonia in Comparative Perspective

17 December 2010

Programme

Catalonia and Finland are two culturally distinct countries with diverse social and political characteristics but similar aspirations and, above all, a shared interest in learning from each other's experiences. Aware of this interest, the Institut Ramon Llull wishes to promote dialogue among experts and institutions in both countries. For this purpose, the Catalan-Finnish workshop is organised by the Institut Barcelona d'Estudis Internacionals (IBEI), the Barcelona Centre for International Affairs (CIDOB), and the Academy of Finland (AF), and it will take place at IBEI
