Dear Mrs. Vicente,

I have the honour and the pleasure to invite you officially to attend the forthcoming III. International Congress on Myriapodology. This invitation has been agreed by and is offered on behalf of the organizing committee, which is a permanent international body.

The organizing committee strongly feels that your contribution and your presence during the discussions really would be important for the success of the forthcoming congress.

Regretfully, I have to note that this invitation cannot include any financial support by the organizing committee.

(Prof. Dr. O. Kraus)

Chairman,
organizing committee
