Professor Tasty, Cf. xx, told me it was possible I could obtain, from the Office of Naval Research, a support to some of my ~~investigations~~ ^{research activities}.

But he said it would be of great help, could I obtain an ~~attest~~ ^{testimonial} from you on my works, ^{some of} which you know. (Perhaps you could point on the interesting results you found in them.)

I should therefore be very grateful to you, would you send me this ~~attest~~ ^{testimonial} to join it to other details he requires, in order to begin the opportune exertion to obtain that ~~help~~ support.

With anticipated thanks for all the trouble, believe me, dear Pro-

professor
