Dear Captain Higgins:

We have received your very nice letter containing both the documents which we gave you upon your visit to our home, plus the invoices which I have signed and herewith enclose.

Once again I want to thank you for your enormous kindness and consideration, as well as Commander Raymond. If the accompanying invoices were not to be sent directly to you, I would appreciate your forwarding them to the proper party.

Very sincerely yours,

María Carbona Baluguer

MCB/arm
