Dear Captain Higgins:

We herewith enclose, one copy in English and one in Spanish, two notarized documents attesting to our standing as the legal and only heirs of Professor Ferran Sunyer Balaguer.

We are extremely appreciative of your enormous kindness and consideration regarding our situation, and of the feelings toward our late and beloved cousin expressed on behalf of the United States Navy. We sincerely regret that we were not able to understand each other better.

Once again, thank you so very much.

Very sincerely yours,
