Dear Miss Balaguer

Reference is made to my recent visit in which we discussed the procedures for closing out the Contract of the late Professor Sunyer Balaguer.

Inclosed you will find an invoice that has been prepared for your signature. Upon the signing of this invoice and return of it to EOAR, action will be taken to process the invoice in order for the proper payment to be made.

I am returning all of the technical documents that were given to me upon my visit. Copies of these documents have been forwarded to ONR Washington D.C.

On behalf of Commander Raymond and myself we wish to thank you for all the assistance that you have rendered to us in obtaining the necessary documents to close out the contract.

If we can be of further assistance to you in any matter whatsoever, please feel free to contact us immediately.

Sincerely

*William D. Higgins*
