Barcelona 17, Spain

Dear Ms. Balaguer:

I am extremely sorry that my previous letter did not reach you. I was shocked to learn that Professor Balaguer passed away. Please accept my deep felt sympathy for you and to the Balaguer family. His death is also a blow to the Mathematics world.

I had received the paper containing the last work of the late Professor Balaguer. It was so nice of him to dedicate this valuable research work in memory of his old friend A.J. Macintyre. This paper is certainly going to be included in the Memorial Volume, I can assure you that. The reprints of this paper will be mailed to your address.

I am going to add, as a footnote to the paper, the sad news of the death of Professor Balaguer.

If I can be of any assistance please do not hesitate to let me know.

Cordially yours,

Hari Shankar
