Dear Professor Balaguer:

You will be happy to learn that the Macintyre Memorial volume will go to the printers within this week. The printer warns us, however, because of crises and delays in the printing trade, not to expect a rapid and early publication.

Your excellent paper sent to me will appear in the Macintyre Memorial volume. Please let me know where I should correspond with you during this summer or fall 1969.

Ohio University Press, after consulting with the committee of the mathematicians, has decided that it would be preferable to present each author with a copy of the entire volume and to allow each author to purchase at cost the number of off-prints he feels he needs. Please order these reprints when you reply to this letter.

Finally, I would like to thank you very much for your patience in waiting to see your valuable work published.

Sincerely yours,

Hari Shankar
