Prof. R.P. Boas
Evanston

Dear Professor Boas,

    In my opinion the two papers by Azpeitia are interesting.
Therefore I recommend them for publication. Please notice that
with the pencil I have made the correction of some ocasional
"mis prints".

    I have not yet received the reprints of my paper ON ENTIRE
FUNCTIONS DEFINED BY A DIRICHLET SERIES (Proc. Am. Math. Soc.
vol. 11 p. 621). If you could kindly see to them being sent
as soon as possible I shall be very obliged

                    Yours sincerely
