Dear Professor Boas,

In my paper A THEOREM ON OVERCONVERGENCE, Proc. Amer Math. Soc. vol. 12 p.495-497 it exist the following errata.

On p. 496, line 7: "$D_2 \subset D_1$" should read "$D_2 \subset D$".

On p.496, line 26: "$\{|z| < r\}$" should read "$\{|z| < r/2\}$".

Therefore, I should be very grateful could you make evident this errata.

With anticipated thanks, I am yours very truly
