Dear Professor Kamthan,

With regard to the possibility of a grant in aid for your stay in Barcelona I have been inquiring and I believe, for the moment, that the only possibility would be through the "Fulbright Foundation" which however is apparently only for North American citizens wishing to do research in Spain. Notwithstanding I am trying to see if it is possible to get a special Fulbright grant for an Indian citizen. As soon as I know something definite I will write you immediately.

With kindest regards.

I am

yours sincerely
