Dear Professor Kamthan,

I have at last had a definite reply from the from International section of the "Consejo Superior de Investigaciones Cientificas" on Madrid concerning your application for a grant. I regret to say that it is in the negative as there are no funds set aside for these cases.

If you are still interested I could approach the "March Fundation", a private institution administering funds destined to the patronage of Arts and Sciences. I cannot, of course promise anything but if you wish, please let me know and I will try it.

With kindest regards.

I am

Yours sincerely
