Dear Professor Macintyre,

I have seen in the Mathematical Reviews the reviews of your  
and of P. Erdos paper "INTEGRAL FUNCTIONS WITH GAP POWER SERIES"  
(Proc. Edinburgh Math. Soc. (2) 10, 62-70 (1954)); inasmuch as I  
am very much interested in reading the said paper I should be obli-  
ged if you would mail me, if possible, a copy of your said paper.  
The reason of my request is that in the Library at Barcelona it  
is absolutely impossible to find the Proc. Edinburgh Math. Soc.

With thanks in advance,

Yours sincerely
