Dear Professor Macintyre,

I am pleased to tell you we contemplate publishing soon the issue of "Collectanea Math" in which your paper: SIZE OF GAPS AND REGION OF OVERCONVERGENCE, whose proofs we sent you recently, is to appear.

Therefore we should be interested in having them back corrected, as promptly as possible, and we beg to ask if you could kindly see to it at your convenience.

I thank you greatly in advance and beg to remain

yours sincerely
