Dear Professor Macintyre,

Thank you for your letter of July 9. The delay in answering is due to the fact that I have been absent from Barcelona for over three months.

I was sorry to learn that your health is poor and I hope that by now it has improved.

With regard to Mr. Muschenheim's Thesis, we shall be glad to publish it in "Collectanea", although as we have a great many papers waiting you will have to excuse some delay

I notice that you wish the Thesis to be published under the joint names of Muschenheim and yourself, in which case it will be necessary to omit the paragraph referring to your self in the Acknowledgements. If you wish to modify anything else, please let me know, also the number of reprints required

With kindest regards and best wishes,

I am

Yours most sincerely
