Dear Professor Saaty,

I am in receipt of a letter from Prof. Osserman dated 4 jan. 1961 the copy of which is in your possession.

In accordance with its contents I have written the papers of a proposal for a research project. For your information I send you herewith a copy of the same. They correspond to the items b. to g. of the ONR booklet "Contract Research Program" ONR-1 (Rev. Sept. 1959) page 16.

Only I do not know ^{how} the consideration of proposal is to be requested, better said how the application is to be written up, or if perhaps some sort or other of a form is to be filled. If so would you please send me a specimen or otherwise let me know how the thing is to be done?

Thanking you in advance for your trouble. I beg to remain, dear Prof. Saaty,

Yours sincerely
