Dear Mr. Thacker,

Thank you for your kind letters of the 2 inst (your ref: 121:RPT:smy 3920/1 Ser 1887).

I was very sorry indeed to learn that Commanders Heidt is still not sufficiently recovered to be able to visit me. Please give him my kindest regards and best wishes for his speedy recovery.

I duly received the check corresponding to my 3 invoice (1 January - 31 March 1962), For which thank you very much.

I was most agreeably surprised to receive your personal letter in Spanish. I must certainly congratulate you on your ~~knowledge~~ knowledge of our language, and I hope you will soon have an opportunity of visiting me here and making some practice with me.

With many thanks also for the kind sentiments expressed

I am,

yours sincerely

P.S. Como le digó a Vd. en ingles deseo que muy pronto pueda visitarme en Espana y charlar en esta lengua que Vd. demuestra conocer perfectamente.

Muy atentamente le saluda
