Dear Professor Saaty,

Having applied, at the indication of Mr. Leila D. Bram, for an extension of my contract N62558-3079 NR 043-206 I should be obliged if you would let me know if I must now send the final report of the first contract, or if I must wait until the end of the extension and send only a quaterly report at the end of June.

In case of sending the final technical report now: how many copies are required and to whom must I send them?

Thanking you in anticipation and with kindest regards

Sincerely yours

F. Sunyer Balaguer
