Dear Sir,

Thank you for your letter of the 9 inst (your ref. 120:JER: acb 3920/1). I have received this letter with a great delay hence I would appreciate you whether you do not take my letter of yesterday into consideration. *THH*

Regarding the contents of your letter I wish to say you that Prof. Levy sent me a memorandum dated 5 May 1965 enclosing the requirements for submission of reports and on the final report it said: "This is not required when contracts are renewed or extended". On the other hand my contract N62558-4484 (for the period 1 July 1965 - 30 June 1966) in the Purpose affirms that "it is to provide for continuation of the research work performed by the Contractor under U.S. Navy Purchasing Office London Contract N62558-4161" (for period 1 July 1964 - 30 June 1965). Therefore I thought that I do not submit the final report. *Tell*
note would point out

Finally I remark that the ~~xxxxxxx~~ main results of the research performed under the contract N62558-4161 are the theorems XI, XII and XIII of the fourth report. *need*

In view of the above I should be grateful if you would let me know whether it is necessary that I submit a final report this year.

Thank you in anticipation

yours sincerely

F. Sunyer Balaguer

P.S. From July 10 to September 30 my address ^d shall be: F. Sunyer Balaguer, Mas Batlle, Vilajoan (Pontos), Pórr Figueras (Prov. Gerona), Spain. *will*
