

WORKS ACCOMPLISHED DURING THE YEAR BY F.SUNYER
BALAGUER ON THE RESEARCHS SUPPORTED BY THE ONR

=====

On approximation of functions by linear combinations of ex-
ponentials (lecture given the 6 August 1965 at the "Mathematisches
Forschungsinstitut, Oberwolfach, Germany) (it will appear) The sub-
ject of this lecture was the research supported by the ONR under
contract N62558-3079.

.. ..

Propiedades de algunos conjuntos de un espacio de funciones
enteras de orden infinito (it will appear in the Actas de la VI
R.A.M.E.) The subject is the statement of the results obtained
hitherto in the contracts N62558-4161 and N62558-4484.
