Dear Professor Bram,

The "Institut d'Estudis Catalans" (name corresponding to the Catalonian Academy of Science and Letters) has awarded me the "MARTI d'ARDENYA" prize for the research done up to now under your contracts numbers 62558-4161 and 62558-4484. The prize-winning paper will be published shortly.

I am also about to publish a paper entitled "APPROXIMATION OF FUNCTIONS BY LINEAR COMBINATIONS OF EXPONENTIALS" covering all the results and proofs obtained by me under contract N62558-3079.

Would you be so kind as to let me know how many reprints you require of each and whether there are any forms to be filled. If so please send me the necessary number of forms.

Thanking you in anticipation

I am,

Yours sincerely
