Dear Captain Higgins,

I have had no reply to my letter of the 12 ult. and on reading again your letter of the 9 May I believe I am right in thinking that I must send you the answers to the "negotiation questions" enclosed in your letter.

As in the proposal for an extension of the contract N62558- 4484 submitted to the Navy the cost is estimated in pesetas, and as your "Guide" says that the budget must be estimated in U.S. Dollars I have calculated at the exchange rate of 59'852 Pesetas = 1 Dollar.

Sincerely

F. Sunyer Balaguer

 As in the proposal for an extension of the con-
 tract W-255-4484 submitted to the Navy the cost is estimated
 in dollars, and as your "Unit" says that the work must be
 estimated in dollars I have calculated at the other rate
 of \$2,389.75 per dollar.

Sincerely,
