Dear Comander Raymond,

Herewith enclosed is a copy of my eighth progres report together with four~~y~~ copies of the invoice of contract N62558- 4484 covering the period April 1 - June 30 last. I have also sent three copies of the report directly to Professor Bram of Washington.

As the same research will now continue under Contract F61052 67 C 0106 I am not sending any final scientific report because in ~~the~~ similar circunstances in other years Professor Bram told me that no final report was necessary.

On finishing Contract N62558- 4484 I remember that you requested a statement covering the work done. Therefore as the present Contract N62558-4484 has ended I am enclosing the corresponding statement

Yours sincerely
