Dear Professor Reddy,

Thank you for your letter of the 13 November. I was surprised to learn that you had not heard from me since July as I wrote you on the 16 August to inform you that the "FUNDACION MARCH" are unable to concede you a grant for studying here as it is against their rules to make grants to foreigners

I regret this but I know of no other entity which makes grants here.

With regard to the subject you mentiones in your letter of August 2 I think it may be interesting for you to consult the following paper:

H. Mascart - Sur quelques operateurs lineaires
diferentiels (Thèse, Toulouse, 1963)

With kindest regards

Yours sincerely
