Dear Professor Guy,

Thank you for your letter of the 2 inst. referring to the application of Mr. A. R. Reddy for a post in your department.

I have not the pleasure of knowing Mr. Reddy personally but he has often sent me papers requesting my opinion (and some time suggestions) before publication. From this correspondence I think I may assure you that he is a young man of considerable promise. I cannot, of course, speak as to his teaching ability but the orderly presentation of his proofs leads one to believe that he has some ability. His English I can only deduce from his letters which are well drawn up.

Hoping the above will be of assistance to you

I am,

Yours sincerely
