

Barcelona 21st June, 1948

Mr. F.M.Hall,
New York:

Dear Sirs,

I am a member of the "Société Mathématique de France" and wish to join the "American Mathematical Society" on the basis of an agreement made between the aforesaid two societies. I shall be very grateful, consequently, for your kindly advising me of the amount of annual membership fees which I shall have to pay in conformity with the provisions of the aforementioned agreement; please also tell me in which way I can remit you the necessary amount, in view of present difficulties in transferring money to foreign countries.

Please also advise me of the amount to be paid for subscriptions to the "Mathematical Review" when I shall be a member of the said "American Mathematical Society".

Trusting to hear from you at your early convenience and thanking you in anticipation for your courtesy, I wish to remain, dear Sir,
yours very truly:

My address is the following:
