FERRER I SUNYER I BALAGUER

Mentivi
France.
1 April. 1951.

Dear Prof. Sunyer Balaguer.

I hear from Dr Horváth that you would like a copy of my recent paper on exceptional values. As you see, I am at present away from home and have none available to send. But immediately on my return to England in about three weeks time I will send one.

Yours sincerely
E. F. Colvingwood
