Dear Professor F. Sunyer Balagner:

Your letter of July 17, 1963 has been forwarded to me by Professor R. P. Boas of the Northwestern University. I thank you for the remarks regarding my paper on the Bull. of the A.M.S. I also received a letter from Professor A. G. Azpeitia, pointing out the same literature, and I am writing a note on this matter to the Bull. of the A.M.S.

If there are any suggestions on further references, I would be very happy to receive them. I also very much appreciate it if you would send me reprints of your works.

With best regards,

Sincerely yours,

Daihachiro Sato
