Pral. 2<sup>a</sup>  
(Sarria) Barcelona, Spain

Dear Dr. Sunyer i Balaguer:

Thank you very much for sending us the reprint of your paper from the Memorias de la Real Acad. de Ciencias de Barcelona, and also for arranging for the Mathematical Reviews to get copies of this journal as it is issued.

Cooperation of this sort is of great aid to us in attempting to cover <sup>the</sup> mathematical literature of the world.

Very sincerely yours,

*J. V. Wehausen*
