Dear Colleague:

Please pardon me for having delayed until now my reply to your kind letter of 15 July. I appreciate very much having your papers in the Library of the American Mathematical Society, and I thank you for having sent them to us.

I am wondering whether it would be possible to establish an exchange whereby we would receive the MEMORIAS DE LA REAL ACADEMIA DE CIENCIAS of Barcelona regularly, both at the Library of the Society, and at the office of MATHEMATICAL REVIEWS. In exchange we would send you one of the publications of the American Mathematical Society - either the TRANSACTIONS or MATHEMATICAL REVIEWS; or the BULLETIN and PROCEEDINGS; or possibly occasional volumes in the series of our CODLOQUIUM PUBLICATIONS or of the MATHEMATICAL SURVEYS. I hope that I may hear from you, or from the Secretary of the Academy, as to the possibility of such an arrangement.

With appreciation of your co-operation, I am

Yours sincerely,
