Dear Professor Sunyer i Balaguer:

I should be very grateful if you could referee the enclosed papers by Azpeitia. ~~and~~ It will not be necessary to return them by airmail.

I enclose some International Reply Coupons in partial repayment of all the postage you have been spending on correspondence with me about papers for the Proceedings.

I should be glad to write a favorable letter about your work. However, it would be more in accord with our practices in this country, and more what the Office of Naval Research would expect, if you would just list me as a reference whom they might consult about your qualifications, and let them ask for a letter. I hope that you will be successful in getting support for your research.

Sincerely yours,

R.P. Boas, Jr.
