Dear Professor,

You will please find enclosed herewith a paper to be presented to the 466th meeting of American Mathematical Society.

If you think that it is proper, kindly have it also published in the Proceedings or any other Journal of the American Mathematical Society. In case of such publication kindly advise me of the practice of the Am. Math. Soc. regarding the number of special copies for the author.

Thanking you in anticipation for your kind help in this respect, I wish to remain

yours sincerely:

F. Sunyer i Balaguer
