Respected Professor,

I hope this will find you  
in cheers. By your good will, I would  
like to tell you, that I have submitted  
my thesis for Ph. D. My thesis is on

I hope you will kindly  
write to me about some chance of  
getting a senior fellowship.

Would be you kind enough to  
let me know about my papers in *Ameri-*  
*cania Mathematica*. I shall soon be sending  
you a few more papers for which I shall

request you to kindly  
examine, comment &  
then send them to  
some journals in  
Spain.

Awaiting your  
reply  
with kind regards.

Yours sincerely,
