Dated 20.6.'63.

To
Professor F.Sunyer i Balaguer
Department of Mathematics,
Angel Guimera, 66,
BARCELONA-17, SPAIN

Respected Professor,,

Yours of the 27 inst. was received. As I was not in Lucknow, I could get your letter quite late and therefore a delay. I am really very much grateful to you for taking so much trouble for me.

Within this envelop you will find all the necessary documents you have asked for ^{to} send to you.

I shall very soon prepare some papers and send to you for publication.

In a separate cover you will find a paper of mine published by the Tokushima University of Japan.

I hope you will kindly write to me after the necessary actions are taken with regard to my chance of getting scholarship there.

Thanking you,

With the best of regards,

Yours respectfully

Pawan Kumar Samthan
