Dear Professor Balaguer,

Enclosed herewith please find the manuscript of my paper
MEAN VALUES OF ENTIRE FUNCTIONS (III), which I offer
for publication in your journal Coll. Math.

I have not heard anything from Hispano Amer. about my
paper with the above title but III being replaced by II.

I have already dropped a letter intimating my change in
address to you. Would you be kind enough to send one or two
reprints of my paper appeared in Coll. Math.? I shall be
very grateful to you.

I do not know if you have heard any news about my fellow-
ship for Spain.

I thank you once more for the trouble taken by you & hope
you will please excuse me.

With kindest regards,

Yours sincerely

to incorporate, thus leading to no wastage of time; I
hope you agree, Sir!
