Respected Professor Balaguer,

I extend to you a heart welcome this day, the 25th of December, 1964 and with which my best regards are included for the New Year to come. I am specially writing to you to extend my cordial welcome and felicitations on these two occasions. I hope, You please accept them.

Just by the way, I have nothing heard from you about the Spanish Govt. Grant to me.

I hope you might have heard something from the His. Amer. Meth. Jour., Madrid. Kindly get my address changed^{to} as on the back page of this paper and thus oblige and kindly excuse me for the trouble you would thus undertake.

Hope to hear from you

With profound regards

Yours sincerely
P.K. Antikarov
