Dear Professor Balaguer:

I hope you might have received my previous letter of August 20 sent from McMaster University, requesting therein two problems and giving my change of address, namely the present one.

I am submitting to you my paper "The Derivatives ---Deficient Values" for its publication in Collectanea Math. May I request you to hear about it at your earliest convenience and oblige.

With kindest regards.

Sincerely yours,

P. K. Kamthan  
Associate Professor
