Dear Prof Balaguer,

I most appreciate the beautiful
Christmas card from you.

I have not sent out cards
myself this year and am
also most remiss in not
replying to your earlier letter
concerning the Muechenheim
thesis.

I should be glad if you
would publish the thesis under
our joint names without the
acknowledgment.

Bro. Muechenheim is
teaching at the Catholic
University of Puerto Rico
this year.

Yours Sincerely
A. J. Macintyre.
