Dear Professor Balaguer:

In Dr. Osserman's absence, I am pleased to inform you that we are planning to support your research proposal for the requested amount of 116,500 pesetas. You will soon receive an official letter of scientific approval with some indication of the starting date, which will probably be on or after 1 July 1961.

We are looking forward to our association with you.

Sincerely yours,

*Leila Bram*
