Gentlemen:

Subject: Proposed Contract N62558- 3079

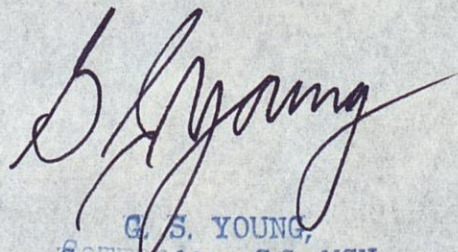

Enclosed are the original and three copies of proposed Contract which have been signed by the Contracting Officer on behalf of the United States Government. You should retain those two copies marked "CONTRACTOR'S COPY" and "DUPLICATE".

You are informed that a Contract will not exist between the parties until you properly sign and mail (or otherwise deliver) to the Contracting Officer the specified contract copies. If you execute the Contract without change or exception and mail it to this office, a Contract shall then come into existence.

In executing the proposed Contract, you are requested to follow this procedure:

- (c) The date of the signature shall be shown in the space indicated.

Sincerely yours,
