Dear Professor Balaguer:

In planning commitment of our funds for this year, we are in a position to consider a proposal from you for a long-term extension of your contract in "Exponential Approximations of Functions."

If you wish to submit a proposal for no more than \$5,000, to be applied to a 2 year extension of the work from 1 July 1962 to 30 June 1964, we shall be happy to review it.

Sincerely yours,

LEILA D. BRAM
