Dear Professor Balaguer:

Commander Heidt has still not sufficiently recovered from his recent operation and illness, and will be unable to visit with you on 14 May 1962 as he had planned. He has asked that I express to you his regrets at not being able to make this trip.

The invoice for the quarter 1 January - 31 March 1962 submitted under Contract N62558-3079 has been processed for payment. The delay in processing the invoice was in accordance with your wishes that the check in payment should reach you after the 26th of April.

Sincerely yours,

A handwritten signature in blue ink, which appears to read "R. P. Thacker".
