Prof. S.M. Shah
Department of Mathematics
University of Kansas
Lawrence
Kansas

Dear Professor Shah,

I have recently received a letter from Professor Macintyre of Cincinnati suggesting that I visit the United States and recommending me to write you.

I should be interested to know under what conditions I should be working, in the case of having to lecture, I should have to do so in French my English not being sufficiently good. Also owing to my paralysis I cannot come unaccompanied.

Looking forward to hearing from you

I am

Yours sincerely

F. Sunyer Balaguer
