MEMORANDUM

To: All Mathematics Branch Contractors

From: Office of Naval Research Mathematics Branch

Subj: Official Distribution List

Encl: (1) Official addresses for Distribution List

1. Our office is now in the process of preparing an official distribution list for technical reports which appear either in mimeographed form or as a reprint from a journal which are published under our contract with you.
2. Enclosed is a copy of the official addressees whose cognizance is desired by our branch. Reports are distributed to individuals, universities, and government agencies. Please send us a list of all addressees to whom you would like to send your reports. If you wish to make any additions to this list in the future, please notify us so that we can approve the request and correct our file copy accordingly.
3. The enclosed list with your additions should be forwarded to our office no later than 12 March 1965.
4. Your prompt attention to this matter will be appreciated.
