Dear Professor Balaguer:

This will acknowledge receipt of the fourth Quarterly Progress Report under Contract N62558-4161 together with the invoice requesting final payment.

Before approving the invoice for payment, it will be necessary for you to provide us with a report of inventions resulting from the work. If there were no inventions, a statement to that effect is satisfactory. It will also be necessary to have an indication from the Scientific Officer that the report requirements of the contract have been fulfilled.

Upon receipt of the above information, your invoice will be placed in line for payment.

Yours truly,

JOHN E. RAYMOND  
Commander, USN  
Director
