MEMORANDUM

To: All Mathematics Branch Contractors

From: Office of Naval Research Mathematics Branch

Subj: Official Distribution List

Encl: (1) Copy of Official Distribution List
(2) Report Requirements

1. Enclosed is the current basic distribution list for unclassified technical reports issued under mathematics contracts sponsored by the Office of Naval Research. May we request that you use it for future disposition of your reports.
2. Additional names may be added to the list if approval is received from our Office. Of course, you may send copies unofficially to any one interested, at your discretion but not at contract expense.
3. Please note that each recipient has been given an identification number. Please use this number when requesting action for an individual's address.
4. Also enclosed for your convenience are the requirements for submission of reports.
5. Your cooperation in fulfilling these requirements is appreciated.
