Dear Sir,

I request you to kindly consider the enclosed paper with a view to recommending it for publication in REVISTA MATEMATICA HISPANO-AMERICANA. As I have stated at the end of the paper, the paper has been already examined by Professor C.T.Rajagopal (Director, Ramanujan Institute of Mathematics) and Professor A.G.Azpeitia, both of whom consider it to be interesting. I shall be grateful if you too can kindly examine the paper and give me your valuable suggestions for improving it in any way.

Thanking you,
